

Schedule Radiology

- ※ **Trainees shadow residents during the program. To understand the whole works in radiology, trainees should have practical work experiences in communication with not only physicians, nurses and technicians, but also all related professions. Also, trainees choose from the following options. Schedule varies depends on your choice.**
- ※ **Options: X-ray, Echo, MRI, CT, Radiation Therapy, Nuclear Medicine, Angiography, Interventional Radiology (IVR), Percutaneous Vertebroplasty**
