** There are the IMSE (International Medical Student Elective) meetings with Course Preceptor for every student every Wednesday and Friday from 14:00-15:00. And they should get research time after the IMSE meeting twice per week for two hours each time to work on their projects.*

**30-60 minutes review of portfolio and discussion of questions raised in previous day clinical experiences*

**30-60 minutes didactic discussion of lecture series topic*

**60-90 minutes protected time for student to do focused reading (textbook), EBM searches, portfolio essays/self-reflection*
